

Country Club Estates Members-Please Support the
Water Safety Patrol

Saturday, August 15th from 10:30-12:30

The Water Safety Patrol will be at our beach to sell and sign
the commemorative 100 year anniversary book:

Running the Reds: The First 100 Years of the Water Safety Patrol, 1920-2020.

Books and hats will be available for purchase and **author Anne Morrissy** will be in attendance to sign books too! The team will set up a tent in the park and ask that everyone interested please keep a 6-foot social distance from each other while waiting and while getting your book signed. Anne and her team will be wearing masks and encourage attendees to do so as well.

The price of the book is \$40.00. They will be accepting credit card sales, exact cash and personal checks.

Come share your favorite WSP stories and show your support for the
Water Safety Patrol!
